

# Inclement Weather Policy

Our policy is that we will only close for inclement weather if we (Mr. Ed) feels that the roads are unsafe for travel.

If we are going to be closed it will be on the TV stations 3,10 or 12. Please be sure to check all 3 since sometimes they won't all post it.

In regards to Transporting for Clearwater & Goddard... Your child's safety is our main concern.

If we feel that the roads are too bad to transport to school we will call/group text you between 6-6:30am so that you can make other arrangements. If the weather develops during the day then we will call you with information regarding after school pick ups.

If you have any questions feel free to talk with Mr. Ed regarding this matter.

Thank you.
